Game Description:

While the Umbrella Corporation and its crop of lethal viruses have been destroyed and contained, a more dangerous threat has emerged. Somewhere in Africa, innocent villagers are transforming into aggressive and disturbing creatures. Featuring online and couch co-op, players can experience this *Resident Evil* classic as either Chris Redfield or his partner Sheva Alomar, as the duo works together to investigate and stop those responsible for the viral outbreak.

Features:

- **Play Anywhere:** Play *Resident Evil 5* on the go using the Nintendo Switch system's handheld or at home in tabletop mode.
- **All Previously Released DLC:** Includes costumes, game modes, figurines and bonus story scenarios "Lost in Nightmares" and "Desperate Escape."
- **Two Playable Characters:** Chris Redfield, protagonist of the original *Resident Evil*, partners with African BSAA agent Sheva Alomar to investigate the cause behind the bioterrorism epidemic.

- **Two Player Local or Online Co-op:** Cooperatively-focused gameplay that revolutionized the way that *Resident Evil* is played. Chris and Sheva must work together to survive various challenges and fight dangerous hordes of enemies.
- **Score High in Mercenaries:** In “The Mercenaries United” mode, take on waves of iconic enemies and bosses in a limited time period to achieve a high score. This mode features 8 playable characters like Albert Wesker and Jill Valentine, each with different costumes and loadouts to choose from.
- **Fear Light as Much as Shadow:** Lighting effects provide an intense level of suspense as players attempt to survive in both harsh sunlight and extreme darkness.
